## Permeable Paver

Suburban sprawl and urban development has had an adverse effect on the volume of surface water runoff that needs to be managed. LondonPaver's new Permeable line takes a step towards alleviating those effects by allowing the water to drain through the drive or walkway.

## Bullet Edger & Decrowall

Bullet Edgers are key to an efficiently trimmed, well-maintained landscape edge. Their unique design allows you to create straight and curved accent borders.

Decrowall blocks are designed to accent key hardscape features such as patios, sidewalk edgings and flower beds.

Gray Bullet Edger

With the natural aesthetics of a boulder wall and the strength and reliability of traditional segmental retaining wall units, LondonBoulder is the perfect solution when strength and style are a necessity. Reach gravity wall heights that exceed 10 feet.
